

**WICKLOW ASSOCIATION
MINUTES
TUESDAY 26TH JULY 06**

Tom reported that our Lill Price our Chairperson's funeral went very well in Ireland and Lill Fitzpatrick said that the wreath, made in the shape of a chair looked lovely. We really miss Lill's presence and will miss her enthusiasm and dedication to the Wicklow Association. We are hoping that in the future her daughters may become involved. God rest Lill.

Dinner and Dance

We will go ahead with the dinner and dance as that is what Lill would have wanted.

Tom will recruit the band. There is, end of month, dances in the Irish Centre for the next three months and Tom has heard two of the bands that will play there and he will go to hear the third one which is the Galtee Trio, who have reformed, then he will make a decision on approaching the one which he thinks is best.
