Yes, three full years (or 36,000 miles) protection under the Motor-Plan Warranty on any of our top-quality used cars. No catch. No bumped-up prices. No hidden extras. In fact, you’ll find that many of our cars are well below the recommended selling prices. That’s because our overheads are comparatively small. No large showrooms, no luxury offices, no piped music, no expensive secretaries. Every car sold by us is serviced and checked by our own engineers. We deal only in really good quality vehicles and now each one will carry this unique protection.
