A SPECIAL DATE - TO CELEBRATE THE IYF...

donation day 9999

NINTH DAY, NINTH MONTH, NINETEEN HUNDRED & NINETY NINE

Celebrate with us this very last special date of the millennium by helping young Irish people in the UK. Some are homeless, disadvantaged or needy for a variety of reasons. Their need is urgent and while the Celtic Tiger has been roaring over the last few years, its benefits have not been evenly spread. The IYF **donation day** is your opportunity to help less fortunate young people and if you want to help further you can – by having a great evening meeting old and new friends – at the *donation day* party.

donations direct

We are asking for donations to the IYF in multiples of 99p (you can round it up if you want too!) – these can be made by completing the booking form above or by paying in direct at your nearest branch of Bank of Ireland.

9.9.99 *donation day*

Dear Friends,

We have often said that IYF also stands for "I'm Yer Friend" – it seems to suit our spirit and purpose! We need all the friends we can find between us to promote this special day and trust you will be able to help.

So tell your friends, give them stickers, wear them with a smile and let us have something with a 99 in it!

We have received tremendous help from our friends at Bank of Ireland and The Irish Post and thank them for their support and effort. Please support them as well.

Thank you for your help and interest.

Yours sincerely

Fred Hucker
