

# **Leeds Irish Community Forum**

## **Aims and Objectives**

### **Mission Statement**

To ensure that members of the Irish community in Leeds achieve full and active involvement and representation within the development of initiatives in Leeds.

### **Aims**

- To establish and maintain a forum to encourage all members of the Irish Community to have a voice on community issues which represent as wide a spectrum as possible.
- To be non-sectarian, non-party political and non-denominational within its practices and to welcome the diversity within the Irish community in Leeds.
- To develop mechanisms by which the Irish community can become involved in decision-making processes.

### **Objectives**

- To link already established groups and interested individuals in order to use expertise and knowledge to identify common issues.
- To co-ordinate and disseminate information about LICF and the Irish community in general to relevant parties.
- To encourage membership of under-represented areas of the Irish community.
