VOLUNTEER FOR THE LONDON IRISH CENTRE

There are many isolated elderly Irish living in Camden and Kilburn. We need volunteers to visit and befriend these people to

- Reduce the isolation and loneliness.
- Create a sense of belonging.
- To enhance the quality of their lives.

We need you to help us help them.

In return we offer:

- The opportunity to learn new skills
- Training.
- Travel expenses.
- The opportunity to join the team of The London Irish Centre, who have served the Irish community for the last 48 years.
