A COMPREHENSIVE GUIDE

BRENT IRISH ADVISORY SERVICE

IRISH IN BRITAIN DIRECTORY

The Brent Irish Advisory Service's definitive guide to life in Britain for Irish people

The Directory is divided into 4 parts:

- ★ SOCIAL AND COMMUNITY — includes Irish associations across Britain, welfare centres, organisations for women, youth and travellers;
- ★ EDUCATION, ARTS AND CULTURE — Irish language and studies courses, dance, Gaelic sports, drama and theatre;
- ★ BUSINESS AND COMMERCIAL — manufacturers, retailers, travel firms and others which deal with Irish business;
- ★ INFORMATION AND ADVICE — reflects the needs and queries of the eight and a half thousand people who contacted the BIAS office last year on areas such as accommodation, education and training, employment, the law, welfare benefits and pensions;

The Directory is a historic document — never before has any publication documented the range of activities and organisations for Irish people across Britain in such detail.

‘This Directory will help the Irish who were settled long ago and new immigrants to assist each other and celebrate all that is fine in the Irish tradition.’

Clare Short M.P.

‘The compilation, in this handy form, of such a wide range of information will, I am sure, be greatly appreciated by all those involved in the social, cultural and commercial activities of the Irish community in this country.’

Andrew O'Rourke — Irish Ambassador to Britain
