

WOLFE TONE SOCIETY

IRISH REPUBLICAN SUPPORT GROUP

The Wolfe Tone Society is the Irish Republican Support Group in London and the South of England.

The W.T.S. campaigns on the following issues:

- * *Peace Through British Withdrawal.*
- * *All Party talks without preconditions.*
- * *Peace through negotiations.*
- * *No sectarian marches through nationalist areas.*
- * *Immediate Release of all Irish POWs.*

These are the main areas of work that we are involved in Britain:

- * We organise protests to highlight our demands as set out above.
- * We actively work to promote the policies and publications of Sinn Fein, including the sale and distribution of An Phoblacht/Republican News.
- * We organise and contribute to various fund raising events and commemorations each year. These include the James Connolly/Bobby Sands, Roger Casement, and Hunger Strikers Frank Stagg/Michael Gaughan commemorations, and the Bloody Sunday march.
- * The welfare and political needs of Republican prisoners and their families.
