Dear Jim,

I am writing on behalf of the Cricklewood Community Play Association. Gill Whitehead gave us your name and said that you may be interested in doing an article on the Play Project for your Teachers Bulletin.

I am enclosing a copy of a summary of what the Project is all about and also a press cutting of an article that was published in the Irish Post. If you would like any more information please phone us on 081 450 0027.

Yours sincerely,

Kathryn O'Connell.
