Dear

I met with you recently to discuss the Cricklewood Community Play and our plans to hold a fundraising jumble sale.

After discussing the matter with my colleagues, we would like to accept your kind offer of St Peters as a venue for Saturday, 17 October 1992 at 2.00 pm. I understand that the hall will be in use that morning but that we can have access from 1.30 pm.

The Steering Committee would be delighted if you were able to visit us on the day but understand, of course, the demands on your time.

Thanking you once again for your assistance and hoping to see you on the 17th.

Yours sincerely

BERNADETTE HOURIGAN (MISS)
