

# **Racial Attacks and Harassment of Irish People**

- The report provides evidence of racial attacks and harassment of Irish people in Britain today. It provides case histories from all over Britain that demonstrate the level of hostility and anti-Irish prejudice that the Irish community is subjected to.
- The report examines the response of the police and relevant governmental bodies to the problems of racial attacks and Irish people and makes a series of recommendations to various authorities on what steps should be taken to address the issues identified in the study.
