the CONCERT

PADDY GLACKIN & ROBBIE HANNAN
FRANCIE McILDUFF & ALAN BURKE
MICHAEL McGOLDRICK & ED BOYD

This concert will feature some of the most dynamic performances of Donegal music that you will ever here, infused with a passionate vitality that will inveigle the audience back to the grass roots of traditional music.

Robbie Hannan and Paddy Glackin, possibly the best uilleann piper and fiddler in Ireland at present, headline this illustrious traditional Irish music extravaganza. This will be the first time these two highly respected musicians have played together outside of Ireland.

Paddy Glackin, incidentally, was the original fiddle player with the legendary Bothy Band.

The two other pipers also billed are Belfast's Francie Meliduff, of Clann McPeake and Afterhours and Michael McGoldrick, the 1995 BBC Radio 2 Young Tradition Award Winner
