Dear Bill,

I find from a rough preparation of my Income & Expenditure account that, the funds originally placed at my disposal are almost exhausted, and that I have in hand only a small balance which should be available for petty cash purposes. I have to ask you therefore to be good enough to attach your signature to the enclosed cheques, making one for £3 payable to G. Kingston (weekly salary) and the other £2.2.0 to the Oldbourne Estates (weekly rent). I shall have a complete and itemised statement prepared for the next meeting of the Finance Committee.

The final layout for the "Application for Membership Forms" has not yet been decided upon. I wonder if you have any further copies of the existing forms.

Yours sincerely,
