F. Murphy, Esq.,  

Dear Mr. Murphy,

I am instructed by the Provisional Council to convey to you their sincere disappointment at your unwillingness to reconsider your decision to resign your membership of the Council. They are very reluctant to accept your resignation but feel confident that they will continue to have the benefit of your guidance and experience through the good services of Mrs. Murphy.

The Provisional Council also wish me to tender to Mrs Murphy their sympathy on her recent accident and to wish her a speedy recovery.

Yours faithfully,

p.p. Hon. Secretary of the  
Anti-Partition of Ireland League.
