

March 30th. 1939

Rev. J. Cremin,

Dear Father Cremin,

Thank you very much indeed for the help you have given us by distributing the handbills. As a result of your efforts and the efforts of some others, our meeting met with singular success. Our future meetings will, I hope, be still larger and still more representative.

Trusting you will soon recover from the 'flu.

Yours sincerely,

Organising Secretary of the
Anti-Partition of Ireland League.
