

26. 4. 39

Dear Mr. Barry Walsh;

I am sorry that I have not much to report since I was speaking to you on the phone last week. I handed out the application forms you sent me and I am sure some at least will join Mr. O' Mara of [redacted] told me he would send on his form this week. I wonder how he is? I am anxious about this one as he would be very useful at concerts or the like as he is a pretty fair "Tenor". I wrote to Mr. Sheehy but I am sorry to say have not heard from him or any other one in Stamford Hill. I intended going to see him but I am working late this week. Perhaps you would send me on a few more application forms

Depend you are keeping well.

Yours sincerely
D. M. G. [redacted]
