London. N. I.

Dear Mr Walsh;

For the past week I went around  
each night to try & get some new members  
P. Donohoe of [REDACTED] gave me a 1/- but  
don't be surprised at that he is alright if  
I said the annual sub was 10/. I would get  
it. I also met Dr Brown [REDACTED]  
who is very busy just now but promised  
to send on a sub to you. I would like to  
know if he has. I also called on Dr Kingston  
of [REDACTED] but it is no avail personally  
I think he would use more forceful methods  
to get rid of the "border". As he is known  
to Mr Deermot I take it that both are the same  
way of thinking. W. J. Curran [REDACTED]

N. I. so interested and it may be no harm  
to drop him a note saying we would  
like to form a branch in this district

and wanted like his help.

I called to N. Dixon's place [redacted]  
But his son never got him in I think. He is  
a member? If I have any <sup>more</sup> information  
I will let you know. By the way, I shall be  
going to Ireland for a fortnight on the 15<sup>th</sup>  
just so if you are writing about anything do  
so before then.

Trusting you are keeping well

Yours sincerely

D. W. Sumner

P.S.

I did not hear anything from Simpson  
Hill for some time when is the next  
meeting there
