

"Ireland For Ever"

9

Dear Sir

Many thanks for pamphlet re
"Anti-Partition Meeting" at "Cusker Road"
with regret I could not attend owing
to work, but when will a meeting be
held in "Croydon" where hundreds of
Irish abroad are I am sure many men
members could be enrolled, and especially
to receive their Hono and its fight for
Ireland, which must come in the near
future. In "Cork Examiner" its stated
branches are to be opened at Tooting, Plymouth
Forks Road etc, etc but here also is a HOT
spot for Irish but to us all here we
need a leader some meetings to once
more stir the patriotism of IRISH
sons and daughters, why not a meeting here?
or some pamphlet respect after has got
a badge etc for distinction but what is
urgently needed here is a revival of
a Free Ireland and we must have a
short tract to agitate that we want to
Be Free for show that holds our people
fastening some work can be done for "CROYDON"
very truly
Yours Respectfully A. SNELL
