Acapa,

I am so sorry our conversation came to such an abrupt ending this morning - but my Doctor arrived at that minute!

Realising how very much you enjoy my calls I can't very well ~~ring~~ try to explain - hence note!!

Re the Public Mtg if there is any line you would like me to take in the course of my few words I'd be glad to do so.

Meantime I hope the League will  
make some progress & things  
will become easier & more pleasant  
for you.

You may mention to Mr. Duffley  
about the printing business I don't  
mind.

Best wishes  
o

Arthur W. S. S. S.
