

April 5th 1939

R.J. Willis Esq.,  

Dear Bob,

I want you to come down with me to the next meeting of the Stamford Hill Branch of the League on Wednesday next, April 12th to deliver a short address on Partition. I hope you will be able to make it. I am leaving for Ireland tonight and will be back on Wednesday next so you won't have any chance of refusing it. Get in touch with Miss Kingston at this office while I am away. I shall probably be back about 6 p.m. on Wednesday next.

All the best,

Yours sincerely,

Organising Secretary of the  
Anti-Partition of Ireland League.
