

Your name had been recommended to us as one of those who is sympathetic to the ideal of a united Ireland and willing to co-operate with the Anti-Partition of Ireland League, which was founded for the purpose of influencing British public opinion in favour of the abolition of Partition.

On behalf of the Anti-Partition of Ireland League, I have pleasure in inviting you to attend at the inaugural meeting of the Hammersmith branch of the League which is being held on Wednesday next, March 22nd. at 8 p.m. at the Gaelic League headquarters in the Stadium Club, (top of staircase) Brook Green Rd., W.6 which is the main road between Hammersmith and Shepherds Bush.

The objects and programme of the Anti-Partition of Ireland League, which is strictly constitutional and non-party, will be explained by a number of speakers, and it is hoped that a sufficient number of well wishers of Ireland will attend to support the launching of a successful branch in the Hammersmith area district.

I feel confident that you will make a special effort to attend at this meeting and to bring any of your friends who are interested in the movement. At the meeting branch officers will be elected and a drive will be started to recruit support for the first big meeting of the League on March 28th at the Friends Hall, Euston Road.
