

May 18th 1939

Mr. J. Ansbro,

Dear Mr. Ansbro,

Could you drop in here some day after your next Committee meeting to adjust the membership list . Desmond Hennessey was in here last night and it appears that you have gathered some new members.

He mentioned the name of Alan Hitchcock of Worcester College to me but I am wondering whether he is referring to Worcester College, Oxford or not.

Yours sincerely,

Organising Secretary,
Anti-Partition of Ireland League.
