Mr. J. B. Whelan,

Dear Jerome,

Enclosed find a full list of members of the Highgate Branch classified in appropriate divisions. As you will notice, we have transferred the two Willis's and Noel Murphy to the Clapham Branch; Healy and Roche to the Hammersmith Branch and D. Egan to the Stamford Hill Branch. These people will not now of course need further circularising about meetings. There are a certain number of people, as you will notice, who have signed up membership forms but have not yet paid. These are the people who should be urged to attend the meetings as we need every subscription. One of the lists, you will notice, contains the names of people taken from your book *who* are not known to have paid or signed forms. From what I gathered from Gerry Harvey you have the subscriptions (if any) for these people. I should be grateful if you forward any money to me. I shall ring you up about them in a day or two.

I took great care over this list as I heard from other sources that certain members had not been notified of the last meeting, but I think it is complete now.

Yours sincerely,

Organising Secretary,
Anti-Partition of Ireland League.
