Dear Barry,

At the meeting on Wednesday last you mentioned a letter you sent me re list of paid members. No letter has reached me. It may have gone to 8 Norfolk Ave, Palmers Green.

Enclosed is a report of our meeting. The main points are there and I will leave it to you to doctor it into the shape you desire.

I went to Dulanty's Palace on Thursday but was told the situation re Volunteers was unchanged. They are very pubka up there I am afraid so I must try Dublin. I find that quite a number of lads even in the London Irish R.F.C. Godhelpus are keen.

I will pop in and disturb your work as soon as I can. Sorry my typewriter

is not functioning. This is the best I can  
manage.

Yours sincerely

J. J. M. Sheehy
