Mr. T. Sheehy,  

Dear Tom,

I shall want a number of people to distribute our pamphlets at the Hurling Match on Whit Monday at Mitcham Stadium. Could you find me half dozen and give me a ring and I can make arrangements to meet them? This matter is urgent.

Anybody who has been already asked to collect for the Council of Irish Societies will not be eligible as they will be collecting throughout the match and afterwards.

All the best.

Yours sincerely,

Organising Secretary,  
Anti-Partition of Ireland League.
