## LIVERPOOL AREA.

9th June, 1939.

Dear Mr Hickey,

Herewith I send you a statement shewing the disbursements made out of the initial advance of £12 which you remitted to me to cover salary and expenses of the organizer Mr Moran.

As a meeting of the Executive may not, I understand, be held for a few weeks, I thought you might like to be in possession of a statement of the present position regarding the amount advanced so that you may be in a position to know when to remit a further advance on account.

Mr Moran has no doubt already communicated with you regarding the position here and I am aware that he has already given a report to Mr Davin, who was in Liverpool last week.

With kind regards,

Sincerely yours,

*B. J. Early.*  
JOINT HONORARY TREASURER.

T.J. Hickey, Esq.,  
Honorary Secretary,  
National Provisional Executive
