Dear Mr Hickey,

I have to thank you. for yours of the 15th inst,
enclosing a further cheque for £12.on account of Organisers Salary, &
EXPENSES, and have pleasure in enclosing herewith my receipt.

I note your appreciative reference to our activities, and can
assure you, that we intend to pursue a vigorous campaign -even though
the finance available is meagre. As you will observe from the accompany-
- ing statement of weekly expenses, we have been on the parsimonious side.

Bro Moran, and myself visited Earlestown on saturday last, the Irish
Club in this town, is one of the oldest of its kind in Britain, and are
an influential factor in the life of the town. We were very cordially
received and assured of every support.

I am pleased with the results, and
can visualise a very virile branch in this Area. I am pleased to learn
that there will be every possibility of Mr Packenham visiting Liverpool,
personally as a neighbour of his in the long ago, I would be delighted to
meet him, as my Father was a great admirer of his family.

I trust that your efforts in London, are meeting with success, and I
HEARTILY reciprocate your good wishes,

Yours Sincerely,

B. J. Earley,
