Aicapa, I am despatching 1 gross of pamphlets  
"The Last Quarrel!" as requested. I'm glad  
you've found them effective & in demand.  
We have sold them like hot cakes, particularly  
after our Demonstration.

I hope the recent tension does not  
interfere with your meeting on March 28<sup>th</sup>.  
I think the atmosphere is much better this last  
fortnight. Dev's pronouncements have  
helped quite a lot.

The enclosed leaflet of which we distributed  
20,000, might be helpful to you in arranging  
your publicity.

Yours sincerely,  
A. Havekin, Hon. Sec.
