Re Organisation.

I note that a financial guarantee has been
sanctioned for the above purpose, and have called
a meeting of my Committee for Friday next to go
into the whole question. I would like to know
the feelings of the whole Committee before making
recommendations to the officers of the Provincial
Executive. I think however, that duties will need
to be defined & general methods laid down by
the Provincial Executive. Also I cannot anticipate my
Committee suggesting a salary in excess of £3 per
week years, in view of the small sum available
on the increasing difficulties of attracting support.

In view of Monday's meeting I request that
I cannot be more helpful than this, but I am reluctant to suggest anything more definite until the Committee have been consulted.

Yours &c.
