

WICKLOW ASSOCIATION
SECRETARY'S REPORT FEBRUARY 1990

During the past year we have held three main functions one of which had to be cancelled owing to fire damage in the Kennedy Hall. That particular event was being held for the Liam Mellows Band, they enjoyed an evening in the Douglas Hyde Lounge instead. Tom Mc Assey was fortunate enough to get their travelling fares sponsored for them.

The next function was a dance on 20th October which was poorly supported but a good night was had by the people present.

Lastly was our annual dinner and dance which was held on 1st December and was excellently supported.

Tom Mc Asey and Nicholas Fitzpatrick enjoyed a weekend promotion break with Aer Lingus to Dublin early in the year. They both complimented the accommodation, meals and entertainment.

We donated £20 to Florrie for her leaving present and another £20 to Jerry Flynn.

We gave £100 to Mrs Kelly as she was going back to Ireland with her family and asked for financial help.

We applied and received two Social Fund grants, one for the late Tom Winnie's family and the other for the late Declan Flynn's family.

We had a sponsored walk May 14th which raised £400.

We sent mass cards and wreaths where required during the year.
