THE IRISH CENTRE

JULY 1972

THE IRISH CENTRE

It's difficult at times to realise that we are more than half way through our Summer. I suppose one could say it's like a man having spent half his earnings on a project and nothing coming back to him to show for his work. Life is like that. We all seem to be using up more energy and getting less return. Is that what they call inflation? Or is it that I, like you, need a holiday? I hope you have a good, relaxed holiday and that you find everyone belonging to you in the best of form.

Just before we break up for the Summer recess (as the politicians call it) may I remind you of our SUMMER FAIR. This is being sponsored by the Council of Counties. I'm sure you want to come and help out your own county. It is being held here at The Irish Centre next Saturday, 1st July - starting 11.00 am. It will be opened by Cllr. Brian Duggan, Mayor of Camden. Make a big effort before the holidays and join us.

Michael Browne, one of our longest serving members, was in hospital for some weeks. He is now back at home but will be unable to work for some time yet. There will be a Benefit Dance for him, here at The Irish Centre on Tuesday, 18th July. Please give him your support. Michael has helped every good cause himself. Now you can do him a good turn.

The Junior Fleadh is being held here on Saturday, 15th July by the North London C.C.E. This is a great day for the Irish, when we can have a Junior Fleadh. If you are around that day please do drop in.

Happy holidaying and God Bless You all.

Rev. P. Sheridan, OMI

PS There will be no Newsletter until September.

bbbbbb

The Mayor of Camden, Cllr. Brian Duggan, has set up his own fund in aid of the recent rail crash victims, and we at the Centre are holding a Benefit Dance to help the dependents. We ask all our members to subscribe to this cause. Tuesday 11th. July is the date.
