A Chara

We are currently planning the next issue of the Irish Voice, Haringey's Irish community magazine. The last issue was well received and we distributed about 1,200 copies through libraries, community centres, social services, bookshops and newsagents in Haringey and copies were also sent to groups and individuals outside the borough.

We hope to bring out the next issue in April 1990 and we are now asking people to send us information for the listings/contacts page. The magazine is (almost!) a quarterly one so information which would be correct/appropriate for end April, May/June/July would be useful. Please use the enclosed form for details of meetings/contacts and get it to us by 12 April.

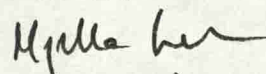

We also welcome contributions whether they be articles, interviews, photos, reviews, poems, cartoons etc. or even suggestions for articles we could do. The last issue had features on the cases of the Winchester Three and Judith Ward, the Poll Tax, Travellers and safety in the construction industry.

We hope to have articles on Irish Youth in Haringey, emigration and the vote, Irish women and the arts, elderly Irish people and education and Irish people in Haringey in the next issue. It is always difficult to find people who have the time and the inclination to write so please contact us if you would like to contribute or know someone who might. (Contributions do not have to be typed.) The Haringey IBRG produce the magazine but we want to ensure that it reflects the interests and concerns of all our community and not just our own!

Please send the material in to the office with your name, address and telephone number if you have one by Friday 6 April. If you want to have a chat to us about it beforehand, don't hesitate to call Majella or Trevor on the above number (ansaphone available). Articles should not be too long but you can call us and discuss the length of any proposed article.

We look forward to hearing from you soon.

Is mise le meas,

  
MAJELLA (CREHAN)
