

BAIS BULLETIN - June 1991

MEMBERSHIP PROCEDURE

The membership year begins in July of each year. We would ask members to assist the Association by renewing promptly. Because of the increase in postage and other costs, the Executive decided to recommend an increase in the subscription rate (except for the student/unwaged category) to the AGM, and this was accepted. The new subscription rates are set out on the renewal form which is included in this post.

SURVEY OF IRISH STUDIES IN GREAT BRITAIN AND NORTHERN IRELAND

David Cairns is preparing the third edition of this BAIS publication. It is an important directory of teaching and research interests, which will be distributed free to members and offered for sale to the general public. It appears that some members have not yet returned the Survey questionnaires because they assume that, since their circumstances have not changed since the last Survey, that is not necessary. David does need these completed forms. He will only record entries on the basis of up to date information and cannot make assumptions about the continuing accuracy of information provided for the previous edition. If any member has lost his or her questionnaire, or failed to receive one, they can acquire a copy by contacting the BAIS Office.
