my dear Miss Hanahan,

I received your letter re my election as a member of the Committee of the Corkmen Association in London, but I regret to inform you that owing to the fact that I have been recalled to my home diocese I am unable to accept the position.

I'm sorry I cannot be of any help to the association in London but if there is anything I can do for it here in Cork, I will be pleased to do it.

I wish the association every blessing & success in the future

Yours sincerely  
(Rev) Michael Ryan.
