

Job Powerhouse

96

Helping you to break the no job no home cycle

Designed for people who are unemployed and in housing need. An NVQ course to help you get the course or job that YOU want. Vocational Guidance Drop-in and Outreach available

Employment & Training

We concentrate on the development of core skills:

- Study skills
- Recognising job opportunities
- Training opportunities
- Searching for work
- Applications and interviews

Housing

During the course you will cover the following topics:

- Understanding Homelessness
- Finding accommodation
- Rent deposit scheme
- Understanding tenancy agreements

Self-Reliance

We want to help you build the skills you need in everyday life:

- Personal goals and actions
- Addressing discrimination
- Dealing with harassment
- Street survival techniques
- Money management
