J. Ryan attended a meeting at East's Court Road and reported that the T.A.A. had already made arrangements to look after the visiting teams on Sunday & Monday. A long discussion took place and most our members seemed very disappointed that the I.P. Men's Association were not given the chance of entertaining the teams. At length last Fr P. Howard who had not spoken very much up to that point suggested that a meeting be held and everyone seemed very satisfied that a solution had been arrived at. It was decided to book the Royal Hotel Hall if possible.

Votes of sympathy passed to Eddie O'Sullivan on death of his mother also to O'Sullivan family on the death of their sister.

Decided to send telegram to Hanigan's family to congratulate him on his release. We also decided to write to P. O'Keeffe to get some information.

All the members had the feeling that our Association had got a bad deal from the London County Board but we should remember that the members of the County Board are not the G.A.A. itself and we can feel confident that our efforts will be appreciated by the true Gaels.

A Athair, a Chara Dhil,

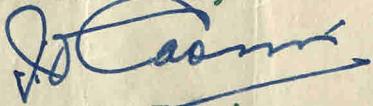

Your letter was forwarded to me from Barry's Hotel. With regard to the visits of County teams from Ireland, there was a regulation issued a few years ago to the London County Board, to organise an official reception for the teams on each occasion, as there had been other receptions by outside bodies to which the teams had been invited - receptions of a nature that the Central Council could not at all times approve. Because of this, I can well understand that the London County Board are tied to a certain extent, but the regulation in question was not intended to debar them from seeking the co-operation of Committees or Organisations of which the Central Council could approve.

J. Purcell

I would suggest, however, that you and your Officers discuss the question with the London County Committee, with a view to amicable arrangements.

A compromise was reached with the proposal of the President, that a Registrar be available to assist the Sec if required.

It was agreed that the business of the Annual General meeting should be conducted by means of balloting if necessary.

Father Howard asked if we had discussed the matter with Mr Casey.
The Chairman said Mr Casey would give us the Hall on Tuesday the 23rd Feb.

The Sec said he had discussed with several people the possibility of holding function in Caseys Hall and that a cold meal should be served and that drinks should be served in conjunction with meal. Mr Egan said no one has right to have authority to commit the association to anything.

Father Howard suggested that drinks be met out of proceeds of dance.
Mr T Ryan said he thought we should appoint Catering Committee and leave the matter in their hands. Father Costigan agreed at this stage and the Sec was requested to give him a brief resume of the proceedings.

a figure of 9/- for meal done had been quoted by Shamrock Club Caterers and Mr T Ryan proposed that we accept it that figure and it would also include admission to dance.

At this stage a discussion arose regarding the impropriety of those people who attend dinner having advantage over those not attending dinner as far as dance was concerned.

The minutes of the previous meeting were read and adopted.

The adoption was proposed by R Butler & Sec by Mr McEgan, at this stage T Ryan proposed that Mr Egan be asked to give report on the meeting of the Nuns at Euston Rev Father Howard Sec.

Mr T Egan made a most delightful statement giving details of the activities of the delegation and he conveyed to the association through the medium of this Committee the most grateful thanks of the Superiors and the whole Party of Sisters.

T Ryan proposed and Mr McEgan Sec vote of thanks to the delegation The chairman proposed that any expenses incurred on the occasion should be met by the association Mr McEgan Sec.

The Sec said that altho he was a member of the delegation he did not incur any expense whatever. However since he was obliged to

to take his leave when the Party returned to their hotel from mass, he did feel that the other two delegates viz Rev Father Costigan & Mr Egan who remained with the Party all day until they went aboard ship must have incurred expenses.

Mr T Egan thanked the Chair for his kind thought and said he would prefer however to regard any expenses incurred as his personal responsibility. Rev Father Costigan intimated his agreement with this point of view. The chairman again proposed vote of thanks to Mr Egan & Rev Father Costigan and this was done by Father Howard

T Ryan raised the question of co opting a member on the Committee. Mr Egan said that there was a notice of motion before the meeting which he handed in on the occasion of the last meeting for the co option of a member in place of Mr Hayes who had resigned.

The chairman said in referring to the general meeting that one or two members of the original committee who were absent from the general meeting were overlooked. He wanted them to understand that there was no reflection intended and said it was just the way of things.

The chairman then called the business of co options.

Rev Father Howard proposed Paddy Dwyer who had been a member of the original committee R Butler & McDeegan seconded. There was no other proposal

and accordingly P. Sawyer was unanimously declared elected.

The treasurer read a financial report which showed a nett credit balance in bank of £88-0-0

T. Ryan said this was magnificient.

The chairman asked if any member had suggestion on how to raise membership. Mr. Deegan said he personally had enrolled 29 paid members.

T. Ryan said he had quite a number of membership cards issued but had not yet collected the subscriptions. He would however do this shortly.

The movers say also reported progress in enrolling members, but had yet to collect subscriptions.

Mr. Egan asked the Sec for report on the no of members enrolled.

The Sec said that since Committee members and others held membership cards he could not give accurate figures. He could however give the no of cards issued which was 205.

The Sec also said that it would be very helpful if Committee members who had enrolled effective members would give details to him so that he could keep register up to date and further more avoid the possibility of his writing to persons who may be already enrolled.

T. Ryan raised the question of Committee members who fail to attend meetings without notifying and giving reasonable cause to the Committee. Mr. Deegan said some members could not attend

on Monday night Rev Father Costigan suggested holding some meetings on Sunday afternoons Mr Deegan at this stage especially referred to the case of Mr Callaghan.

Mr Egan said if there were members who never intended to attend they could be dealt with according to usual committee procedure again referring to the best way of increasing membership of association the Chairman thought we might issue circulars which would also carry an application form Father Costigan proposed that we have copies of constitution printed on which membership application forms would also appear.

R Butler & Mr Trogan Sec this proposal.
Mr Egan in proposing direct negative said if we drop the £1= subscription we could get very many members

Mr T Ryan said we shall succeed and nothing will deter us

Father Costigan said he would like to add to his proposal that we state on the circulars also the objects and aims of the association.

This was ~~agreed~~ Carried.

The Chairman asked if the Sec had anything to report concerning next dance, and the Sec said that there were many sound reasons why the dance should not be held on the 23rd of February as was agreed by Sub Committee on the occasion of its visit to Shamrock Club

after stating these reasons the Sec

Said we could have an alternative date which
was May the 11th.

Father Howard said it
was in our interest to postpone the dance
and he thought the 11th of May a good date.
This was unanimously agreed.

A discussion then arose on the question
and the Sub Committee that investigated in regard
to the Shamrock Club basement reported its un-
suitability.

The Sec reported quotations from
many Hotels and restaurants and also from
the Irish Club.

After a lengthy discussion Mr
Egan proposed that the function be held at
the Irish Club. Mr Butler Sec this was agreed.
A discussion arose regarding the possibility
of having the harriers over a day earlier at an
expense or fearing that should we find out
if we could keep them a day longer.
Mr Egan said it was unadvised that they
may not come at all.

Mr Cooke in proposing and
urging the proposal to hold the dinner at the
Irish Club said we should hold it at an Tostal.
Mr Egan said in thanking Mr Cooke for his
proposal he would ask him to withdraw.
Mr Egan said he preferred that his original proposal
should stand.

That the dinner should be held
in February was decided by a large majority
and the Sec was directed to arrange the date.

County associations could change completely the position and improve the situation for our Countrymen elsewhere.

We had something to offer to our people but this could only be offered if all our people would join their respective county association.

The interests of our people can be advanced only through organization and unity. In this way contacts can be made and the position of our people improved.

The formation of controlling body of some kind is essential so as to ensure united action.

The functions which we held were needed to put us on the map, and we were obliged to spend sums of money in this way so as we could get the publicity which otherwise we would be unable to buy for. We would help our people to get jobs and homes and eliminate bit by bit failures of our fellow countrymen.

Some fail, some succeed, as doubtless some who fail are victims of circumstances and we should help if and when we can. To his knowledge, our Sec Harry Boggs has succeeded in helping very many people and on one occasion the Irish Embassy asked us for information which we were able to supply.

Irish Bishops are watching with interest and a judgment on our activities. Our personal opinions and interests are of less

importance than the association as a whole

This was essentially a year of Com Solidation next year should be one of advance and progress.

Ballot Papers were then issued to be assembled members and nominations were taken for the Committee. There were in all 33 nominations and the following were elected.
F. O'Dwyer, T. T. Ryan, Mr. Gilmartin

Dr. Sheehy, S. Preen, P. Ryan, Mrs. Coote
M. Deegan, P. Corbett, J. Stale, Mrs. Heaney

The new Committee then discussed general business.

Tuppermen's Association

The 25th meeting of the Association (second of current Committee) was held at the Irish Club on Mon. 6/12/54 and was attended by the following officers.

Mr Simon Brew, Chairman; Miss Nora Heaney, Vice Chairman; Mr H. Bolger, Hon Sec.; Mr T Ryan Hon Treas; Mr J. Stacy, Trustee; Messrs. N. Scott, M. Deegan, D. Callanan, R. Butler, S. Costello, J. Ryan, E. O'Dwyer, Col. Healy, Rev. Fr. Howard; Mrs Cooke.

In the temporary absence of the Sec., the Chairman read the minutes of the last Committee meeting. Col. Healy proposed their adoption and Mr. Deegan seconded. The chairman then signed the minutes.

The Treasurer then reported the following financial situation inclusive of last dance receipts (not complete) and membership fees. £50 lodged to Association's account in Bank and £717-9 cash in hands. Mr. O'Dwyer proposed that the Sec. should communicate with members who, having received dance tickets for disposal, had not accounted for tickets or their value. Mr. Stacy suggested that the discussion and treatment of this matter be left to the Finance Sub-committee, and the matter was deferred.

Mr. Scott, Sec. Entertainment Committee reported the following progress. A booking had been arranged for the holding of an Association dance at the Lyttelmore Dance Hall Cricklewood on Wed. 12th Jan. 1954. The venue had been arranged with a view to facilitating the Association's supporters in North West London, for the first time, and with hopes of furthering the expansion of the Association's activities. There remained for the Committee to sanction admission charge at either 2/-, as was customary in this Hall, or at 2/6. It was decided unanimously to charge 2/-, and to proceed with arrangements as soon as possible.

Negotiations had also been opened with Finsbury Borough Council for a fixture in Feb. and it was proposed to have a

dence there (Finsbury Town Hall) on Sat. Feb. 26th, from 7.30 to 11.30 P.M., with premises fully licensed at a suggested admission fee of 5/- In the discussion on this report, Mr. Butter said that he felt the priests of that parish would be annoyed as the dance would clash with a weekly Sat. function run by Fr. Beglin in a nearby Church Hall. To obviate this undesirable situation, it was proposed by Col. Healy that Mr. Steacy should interview the Parish Priest in an effort to resolve the possible friction arising therefrom. Mr. Steacy proposed that Report of Sub-committee be adopted and that the Chairman and Mr. Bolger be authorized to approach Fr. Beglin. A vote was taken and the proposal was adopted ~~by~~ unanimously.

The Sec. reported proceedings of meeting at Irish Club of the Irish County Associations' Co-ordinating Committee. There were discussions on the establishment of County Hostels and Mr. Steacy acquainted us with the activities and aims of Irish Priests' Committee in this direction. Mr. T. Ryan proposed that these matters be left to an delegation to the Co-ordinating Committee and Mr. Scott seconded. Mr. Steacy proposed that we support the United Irish Societies in their arrangements for St. Patrick's Day Parade and Mr. T. Ryan Seconded.

In the discussion on our Annual Dinner, Mr. O Dwyer proposed that it be held in the Irish Club and Mr. Ryan seconded. The proposal was carried on a vote. It was recommended to the Entertainment's Sub-Committee to make the necessary arrangements concerning date and Subscription.

Tipperarymen's Association

The 26th meeting of the Association (third of current Committee) was held at the Irish Club on Mon. 3/1/55 and was attended by the following officers.

Mr. H. Bolger, Hon Sec., Mr T. Ryan. Hon Treas., Messrs N. Scott, J. D. Ryan, M. Deegan, S. Costello, P. Corbett, R. Butler, D. Callanan J. Cooke and Mrs Cooke.

In the absence of Chairman & Vice-Chairman, Mr Scott was unanimously appointed to act as Chairman. He Sec. read minutes of last meeting and their adoption was proposed by M. Deegan and seconded by D. Callanan. The acting Chairman signed minutes.

The Treasurer reported no change in financial position and said Finance Committee should go into the question of outstanding tickets from last dance. Mr Deegan proposed leaving the matter to Finance Committee and Mr. Costello seconded.

Correspondence was read from Phil Purcell, Mr. Mockler, Dr. Canning and Mr. McQuinchy. The letters from Messrs Purcell and Mockler concerned the possible placing in positions and accommodation of Mr. Mockler's daughter and a friend. Mr Bolger had arranged this and had replied to that effect and suggested that he be authorised by committee to write and advise the girls to come to London. Mr. Ryan remarked that the confidence expressed in Mr. Bolger and the Association by these letters was a marvellous tribute to our activities. Mr. Scott proposed a vote of thanks and esteem be passed to the Sec. for his admirable handling of the situation and Mr. Costello seconded.

The Sec. read a motion of co-option submitted by Mr. Costello at the last meeting. The cooption was required to fill the vacancy on the committee following the return of Mr. Lynam to Ireland. Mr. Costello proposed that Mr Harry Kirby be elected to fill the vacancy and Mr. J. D. Ryan seconded. Mr. Butler proposed Ned Gleacher and P. Corbett seconded. After some discussion Mr. Kirby was co-opted.

unanimously and on the proposal of Mr. T. Ryan, seconded by Sean Costello, the committee decided unanimously to co-opt Ned Meagher to the next vacancy.

The Chairman, referring to the dance at Galtymore Hall on Jan. 12th, apologised for having left so much of the burden on Mr. Bolger concerning tickets and arrangements etc. and remarked that circumstances of going to Ireland etc. had hindered him in devoting his full attention to the function. The Sec. reported that he had distributed over 200 tickets already and advised the previous methods of disposal as the only feasible ones for distributing the balance. Mr. T. Ryan, Treasurer, was authorised to make the necessary arrangements for officiating at door of dance hall and Mr. P. Corbett was delegated to support him. The Sec. stated that he hoped to have tickets for the Finsbury Dance available for distribution at the Galtymore Hall.

The Secretary proposed that Mr. Neil Scott be offered the Committee's congratulations on his recent wedding and that ~~that~~ a suitable present be purchased as a token of the Committee's esteem. Messrs J. D. Ryan and P. Corbett seconded the motion and advised leaving the selection of a present to the Finance Committee. Mr. M. Deegan made a glowing tribute to Mr. Scott and his family with whom he had the greatest friendship since childhood. Mr. T. Ryan expressed his desire to be associated with Mr. Deegan's remarks. In thanking the Committee for their unwarranted tributes, Mr. Scott said that he felt very touched that in a few short months in London he had gained the appreciation of such able colleagues and such loyal Tipperary friends. Furthermore he mentioned that he had been proud to speak at his wedding reception of the Tipperarymen's Association and of the land of friendship that awaited his wife and himself on their return to London.

With reference to a committee member who had been unable to work for some time as the result of an injury, the meeting instructed Mr. T. Ryan to convene the Finance sub. Committee to make whatever gift they saw fit to meet the occasion.

Votes of sympathy were passed to the following:

The Donnelly family, Bohemian

Paddy Fitzpatrick and Sean Fitzpatrick, and the meeting stood in silence as a tribute.

The meeting was then declared closed.

The 27th meeting of the Association (4th of current Committee) was held at the Irish Club on Mon. 7/2/55 and was attended by the following officers.

J. Breen, Chairman. H. Bolger, Sec. T. Ryan, Treasurer.
Miss Nora Heaney, V/Chair. Rev. Fr. Howard, V/Pres. Rev. Fr. Sheehy
M. Deegan, R. Butler, J. Cooke, Mrs Cooke, H. Kirby, J. Costello
P. Corbett, E. O'Dwyer, Jody Ryan, M. Morrissey, M. Scott.

The minutes of the previous meeting were read and their ~~proposal~~ adoption was proposed by M. Deegan and seconded by J. D. Ryan. Chairman signed minutes.

The treasurer next presented a report on the current state of Finance as follows.

Shamrock Total £74-12-9: Expenses £35-0-0. Profit £39-12-9
Galtymore Total £48-6-0: Expenses £32-0-0. Profit £16-6-0.

Membership Fees. £ 15-12-0
£ 71-10-9

Lodged in Bank £70-5-0: Cash in Hands £1-3-9.

Credit Balance to date £67-11-7.

E. O'Dwyer proposed and M. Scott seconded that both the Shamrock and Galtymore accounts be closed.

The sec. then read correspondence as follows from Fr. Hayes intimating his wish to address a meeting in London. R. Butler proposed and J. Costello seconded that Canon Hayes be a guest at our Annual Dinner & Dance. It was decided that our delegates to the Co-ordinating Committee be authorised to acquaint Committee with our arrangements and that in the event of their disapproval we should sponsor Fr. Hayes' meeting on our own. E. O'Dwyer proposed & M. Deegan seconded that Canon Hayes' Public Address be given at the Shamrock Club.

Mr. Costello was authorised to seek publicity for Fr. Hayes' visit in the Irish Newspapers.

The Chairman remarked that it would be

a worthy gesture if we subscribed to the Hull disaster fund. S. Costello proposed a £1. Shelly seconded that we send a donation of £5. Joe D. Ryan informed the committee that the proprietor of the Bambu Dance Hall was willing to discuss a date for a dance at his club and it was agreed that Mr. Scott and another should approach him.

In a discussion upon the coming dance in Finsbury Town Hall Mr. Scott said that the Entertainments Committee had the arrangements well in hand. Mr. Ryan remarked upon the poor support of committee members in the running of the Galtymore Dance and complimented P. Corbett on his attentiveness. Mr. Scott observed that since the Dance Hall supplied all staff, and Mr. Ryan had been authorised to look after the collection of tickets and money on that occasion, a large staff of committee members was not necessary. He hoped that on the occasion of our next dance at Finsbury, when a full staff was required, all the committee members would do their best to help out as officials if requested to do so by the Entertainments Committee.

The business of the meeting was then terminated as ~~most of~~ nearly all the Committee were attending a function of Messrs. J. & G. Mooney & Co.

2 Mr. O'Keara wrote soliciting Committee's help towards erection of memorial to Tom Kirby.

3 Fethard G.A.A. Club wrote soliciting Committee's help toward purchasing playing premises.

After a comprehensive debate H. Kirby proposed & M. Deegan seconded that letters 2 & 3. be marked read, as it was not our policy to subscribe to such requests as they were too numerous. Mr. Kirby remarked upon the incongruity of the Irish, exiled not through choice, supplementing financially the projects of the more fortunate ones at home.

4 The United Gaelic Societies wrote requesting a fee of £3-3-0 from the Association for the privilege of marching behind our County Colours in the St. Patrick's parade. J. D. Ryan proposed & J. Steacy seconded that we comply with this request, but that we review our feelings on this matter prior to the 1956 Parade.

5 The Irish Club wrote requesting such of our members as were in a position to do so to join the Irish Circle. It was decided that when next our members were being circularised attention would be drawn to the advisability of complying with this request.

6 The Donegalmen's Association wrote that their Chairman was visiting

New York for St. Patrick's Day and would bear a letter from our Association to our counterpart in New York. The Sec. was requested to draft a suitable greeting and have it signed by Lenon Fitzgerald.

Mr. Steacy wrote outlining the functions and problems of the Irish Centre but considerably postponed elaborating on this subject owing to the pressure of business before the meeting.

The Treasurer read the following financial report.

The adoption of the Treasurer's Report was proposed by Mr. Steacy and seconded by Mr. Kirby.

In connection with Rev. Baron Hayes' public address Mr. Steacy kindly offered to investigate booking of Westminster Cathedral Hall and possible attendance of Cardinal Griffin. In the event of this arrangement being impossible, Entertainments Committee was delegated to complete the organisation for the meeting.

Mr. Steacy proposed + J. D. Ryan seconded that Mr. Breen Mr. Bolger + Mr. Scott be authorised to negotiate with a deputation from the Corkmen's Association concerning a joint effort

to organise a worthy function for the entertainment of the Cork & Tipperary Hurling Teams on the occasion of their Whitsun visit to London. Mr. P. Ryan suggested that medals might be provided for the winners as a lasting memento of their London visit.

The 29th meeting of the Association (6th of current committee) was held at the Irish Club on Mon 4th April 1955 and was attended by the following Officers.

Messrs. M. Scott, D. Callanan, M. Degan, J. Cooke, J. Costello
R. Butler, J. D. Ryan, H. Kirby, P. Ryan, E. O'Dwyer & Col Healy.

The minutes were read by the Sec.. Their adoption was proposed by M. Scott & seconded by D. Callanan. Chairman then signed minutes.

Col Healy remarked upon the negligence of the Irish Club in omitting reference to our Banquet & Ball and our monthly meeting in their April picture Gazette.

The following letters were read.

1. From Mr. Burke, Clonmel requesting Association to try to place him in the printing trade in London. After some discussion J. D. Ryan proposed letter be marked read and M. Scott seconded.
2. From Miss O'Dwyer protesting against charge of £2.2.0 at Annual Banquet & Ball
3. From Mr. Fox Approving of the Function.
4. From Mr. Spreule thanking Sec. for securing an ~~ideal~~ ideal position for him. Mr. Scott proposed & Mr. Costello seconded a vote of appreciation to the Sec. for his admirable success in this and many other matters.

Further congratulations were extended to the Sec on his excellent arrangements for the coming Banquet & Ball and it was felt that Canon Fitzgerald would be quite willing to combine the duties of Chairman and Fest. master. Mr. J. D. Ryan ^{kindly} offered his services as honorary M.C. with the wish that he be relieved occasionally during the night.

The Sec. read a letter from Canon Hayes regretting his absence from the Annual Function due to

unforeseen circumstances. A lively discussion ensued and the general feeling of the Committee was that the Sec. be authorised to reply to the Canon in his admirably tactful manner, indicating that we felt we had not been treated over-well in the matter of notice and outlining the difficulties we would encounter in sponsoring his proposed visit at a later date.

In connection with the Whitsun visit of the Tipp. hurling team, Mr Deegan proposed a P. Ryan seconded that a dance be held in the Shamrock Hall on 10th May to defray the expenses of their entertainment. Mr Bolger proposed that a dance be held at the Barba at our earliest convenience and agreed with J. S. Ryan upon the desirability of placing no hindrance in the way of the Barba staff in the smooth performance of their duties.

M. Deegan proposed, J. Cooke seconded + the entire meeting wished to be associated with a vote of sympathy to the relatives of the late Jeremiah P. O'Farrell, a founder member of the Association, and that a Mass be offered for the repose of his soul.

T. Ryan (Treasurer) Mrs J. Cooke Messrs. N. Scott, J. Con
J. D. Ryan, M. Deegan, H. Kirby, E. O'Dwyer, P. Corbett, J. Stu
R. Butler, J. Costello

The minutes were read by the Sec... Their adoption was proposed by N. Scott & seconded by M. Deegan. The Chairman then signed the minutes.

With reference to the minutes Messrs E. O'Dwyer & J. D. Ryan expressed the desirability of some individuals subscribing to the Kirby memorial fund even though the Association's policy prevented an official contribution.

The Treasurer reported that all the funds he had received had been lodged in the Bank except £2-10-0 which he had in his possession. The adoption of the report was proposed by E. O'Dwyer & seconded by N. Scott.

The distribution of handbills advertising the coming dance at the Shamrock Club was next discussed and the following arrangements were made.
Distribution at the Shamrock Hall on the weekend preceding the dance as follows Friday - Mr. Costello
Sat. Mrs Cooke. Sun. Mr. Scott. Mr. Steacy offered to dispose of 200 at an Irish Centre dance in Muswell Hill & other members took some for distribution at Churches & newsagents etc.

Mr Bolger proposed & Mr. O'Dwyer seconded that the Entertainments Committee should arrange to have an officer of the committee in the box-office at the Shamrock to supervise the finance and Mr. Breen suggested that two officers should take charge of the ticket records Books.

With regard to the Whitman visit of the Tipperary Hunting Team it was decided to hold a Reception, Dinner and social in the Irish Club on either Whit Sunday or Whit Monday, whichever would suit the team.

Miss Heaney commented unfavourably on the unsatisfactory arrangements in the second dining room on the occasion of our Annual Banquet & Ball at the Irish Club and it was decided to bring the shortcomings to the notice of the Club management. It was decided also that next year's Banquet would be held at a venue that could seat the entire company in one room.

With reference to Canon Hayes' absence from the Annual Banquet, and his appalling lack of courtesy in giving us notice of his decision not to attend at almost the last moment, the Chairman said that it had been brought to his notice that some people knew of his proposed non-attendance well in advance of his letter to the Committee. Furthermore the Sec. was informed on impeccable authority that a letter had been written to Canon Hayes from London grossly misrepresenting our purpose in inviting him here. On the face of it, the Chairman said, it was painfully obvious that a member of the Committee was being utterly disloyal in discussing our business with outsiders, and far more serious it would appear that this member was deliberately sabotaging the decisions that the Committee had unanimously made.

At this stage the Sec. questioned the Treasurer on his absence from the last committee meeting on Mon. 4th April. It transpired that the Treasurer had

informed the Sec on the afternoon of 4th April that he was going to Ireland that evening and could not attend. In view of the fact that he did not actually go to Ireland until a later date the Sec. suggested that this excuse was a fabrication. The Treasurer made a rather inconclusive explanation that his arrangements were upset and gave an unsolicited account of a fortuitous meeting he had with Canon Hayes near St. Stephens Green and of Canon Hayes remark to him on that occasion. Mr. Scott remarked that this statement bore no relation to the fact that the Treasurer had deliberately misled the Committee as to his reason for not attending the April meeting, and suggested that it was an indication of guilt on the Treasurer's part to presume that he was the disloyal member already referred to when in fact no one had accused him specifically.

The Secretary, with some indignation, referred to the fact that he had been grossly insulted by Mr. Ryan (Treasurer) after our March meeting in the presence of a number of committee members. He said that the Treasurer, when asked to sign a cheque for Mr. Bolger's petty cash & postage expenses etc., had insinuated that those expenses were in fact inaccurate. Mr. Bolger had taken justifiable umbrage at this remark and demanded an absolute apology forthwith. Mr. Ryan denied that he intended his remark to be interpreted as Mr. Bolger had done, but said that if Mr. Bolger felt he had been insulted, he (Mr. Ryan) would apologise.

As a result of this remark Mr. Bolger had called upon the Auditors Mr. Scott & Mr. Corbett to examine his books and accounts and asked Mr. J.

to report on their findings. Mr. Scott said that their examination could not be construed as a proper audit as the Treasurer's books had not been made available. However he could say that the Hon. Sec's. books and accounts were impeccably correct and worthy of congratulation for the painstaking and thorough manner in which they were compiled.

Hereupon Mr. Bolger accused the Treasurer of attempting to incite Miss Heaney some time ago to write a derogatory and anonymous letter to him (Mr. Bolger). Miss Heaney substantiated this accusation. Mr. Steacy said that this was indeed the last straw and Mr. Deegan said it was a most despicable practice.

On Mr. Red. Ryans proposal, seconded by Mr. Steacy a vote of no confidence in the Treasurer was passed unanimously. After some discussion it was decided that he be allowed to remain a member of the Association and to resign his position on the Committee rather than be expelled. Further, Mr. Steacy proposed, Mr. Scott seconded and the Committee gave a ruling that Mr. Ryan must not allow his name to be put forward at any future time for membership of the Committee. Hereupon Mr. Ryan tendered his resignation which was accepted unanimously.

Mr. Scott asked that it be inserted in the minutes that the Treasurer's resignation was not in any way due to mismanagements of funds or a reflection on his integrity as a treasurer, lest it be misconstrued as such by uninformed people. To this suggestion the Committee unanimously agreed.

The 3rd Annual General Meeting of the Association was held at The Irish Club, 82 Eaton Sq., W.1. on Sun. 30-10-55 at 2.30 p.m. and was attended by about 80 members. Due to the regrettable and unavoidable absence of the President Very Rev. T. Canon Fitzgerald; the Chairman Mr Simon Breen made the opening Pro-Presidential and Chairman's Address.

Tipperarymen's Association

30-10-1955.

The 3rd Annual General Meeting was held at the Irish Club, 82, Eaton Sq., W.1., on Sun 30-10-55. The meeting was declared open by Mr. J. Simon Breen, Chairman, at 3.0 p.m.

Mr. H.F. Bolger, Sec., read the minutes of last year's Annual General Meeting. Their adoption was proposed by Mr. Costello and seconded by Mr. Dallman.

In the regrettable and unavoidable absence of the incident Very Rev. T. Canon Fitzgerald, the Chairman, Mr. J. Simon Breen made the opening Pro-Presidential and Chairman's address. In the course of his comprehensive address, the Chairman concentrated the fact that the satisfactory functioning of our County Association was an integral part of the social, cultural and practical life of every Tipperaryman in London. He went on to acquaint the meeting with the fact that where Tipperary led the field in County Associations other counties followed, and automatically looked to the Tipperarymen's Association for leadership and guidance in the organisation of Irish social and cultural affairs in London. Mr. Breen then appealed to the meeting to encourage as many Tipperary people as possible to join our Association, as, after all, the more members we had the stronger we would be, and the more good we could do for the thousands of our fellow-countymen in London. We had opened the door to a better life in London for Irish people and if that door would remain open to all who might wish to enter. The Chairman then thanked the members for their presence and for their welcome to operation during the year in making our many functions the successes that they were.

The Secretary made a general report of our year's activities. He and the committee had received many congratulations on the enjoyment and satisfaction which

our several functions afforded to all who attended them. To begin with he had been assured by many discriminating people that our Annual Banquet & Ball held at the Irish Club was regarded as the show-piece of the year among Irish functions in London. He referred particularly to the congratulations of His Excellency the Irish Ambassador and Mrs. Boland and of Gen. ~~H. F. G.~~ McKeown, Minister for Defence, and Mrs. McKeown. He next mentioned the success of our Reception & Dance for the Tipperary Hurling Team at the Imperial Hotel, Russell Square, and explained that we had originally offered to collaborate with the Wexford Assocn. and had been given very short notice that they did not wish to co-operate with us in the running of a combined function. Notwithstanding the rush involved, the team and officials and guests had thoroughly enjoyed the function and had expressed a sincere hope for as good a Reception in the event of their coming next year. He said that all our other functions had been both enjoyable and successful and thanked the committee members and others who had done so much in their organisation and smooth running.

The Treasurer next gave a detailed report of our financial activities during the year and the following was the result of his summing up.

Our total income 31/10/54 to 30/10/55	525 - 10 - 7
Our total Disbursements do	<u>517 - 0 - 1</u>
Our Surplus on years activities	£8 - 10 - 6

Since we had commenced the year with an overdraft of £17-16-7 this left us at the moment £9-6-1 in the red. The Treasurer explained that of necessity some of our functions were run for them

social value entirely, especially our Annual Dinner and Dance and our Reception for the Tipperary team, and in consideration of the expense involved in running those functions successfully he personally thought that we had not done at all badly in showing a surplus on our year's activities.

The Chairman thanked Mr. Foott for his report and said he would like to inform the members that during the coming year we intended having four general meetings, if possible, to keep the General Membership informed of our activities. The adoption of the Reports ~~the meeting~~ was proposed by M. Deegan and sec. by W. O'Dwyer.

A general discussion followed in which the Sec. enlightened Mr. O'Dwyer on the reason why tickets for the Reception at the Imperial Hotel were issued at such short notice. ~~then~~ Mr. Lallyon mentioned a rumour that we were stealing the thunder of the G.A.A., as some people had got the impression that we ~~were~~ had paid the Tipperary Team's travelling and hotel expenses. The Chairman replied that of course we had never made any such claim, and Mr. O'Dwyer commented that seeing that the G.A.A. had benefited financially to a considerable extent from our team's presence it would not have been a great inconvenience to them to have contributed to the expenses of our Reception. He also deplored that no G.A.A. official was present at our function to answer the toast of the G.A.A., notwithstanding the fact that invitations had been issued.

Mr. O'Dwyer further proposed that existing committee members who were absent from the A.G.M. without having communicating a valid reason to the

Committee, should not be nominated for election to the new Committee. Mr. Deegan seconded and the motion being carried the names of Fr. Sheehy, H. Kirby, J. Doyle & Mr. Morrissey were erased from the existing 22 Committee members who would have been automatically nominated. Mr. Deegan commented on the futility of electing members to the committee who would not attend committee meetings nor help in the running of functions. Dr. England remarked that even though he had not attended many committee meetings during the year he had given timely notice to last years A.G.M. that if he were elected his attendances might be curtailed by business engagements.

Nominations were then taken in addition to the 18 committee members automatically nominated and the following new nominations were made. Mr. Hincks, Mr. Pallony, Mr O'Dwyer, Mr. McCormack, Miss Grace, Miss Gavin & Mr. Wallace

Miss Walsh, Mr. O'Farrell & Mr. Hennery were appointed scrutineers.

The following is the new Committee elected

S. J. Breen, Miss Heaney, H. F. Bolger, R. P. Scott,
J. P. Steacy, A. R. England, S. Costello, E. Meagher,

Mrs Cooke, P. Corbett, J. D. Ryan, P. Ryan,

The general meeting was then declared closed.

Rev. Canon Fitzgerald was unanimously elected ^{President} ~~Chairman~~.

Ipperaghans Association of London

The fourth Annual General Meeting of the Association was held at the Irish Club, Eaton Square on Sun. 28th October 1957 at 2.30 p.m. About fifty people attended.

1956 (Held October 28. 1957)

The Secretary read the minutes of the 1955 Annual General Meeting. Adoption of the minutes was proposed by Miss Gavin and seconded by Mr. McCormack.

In the unavoidable absence of both the President Canon Fitzgerald and the Vice President Mr. Breen, the Chairman Mr. Bolger combined the Presidential and Vice Presidential sentiments with his Chairmans Address.

Mr. Bolger mentioned his deep regret at the unfortunate absence of Canon Fitzgerald and felt the entire association hoped as he did for the complete recovery and continued support and guidance of the Canon. He said he would endeavour to interpret the Canons sentiments in his remarks. He felt extremely disappointed that the association had not, in fact, taken a big step forward in the past year and felt he must be frank and admit that in his opinion it seemed to have slipped back. He remarked upon the general feeling of apathy and lack of drive that seemed to have taken hold of the association generally. He felt that many aims and ambitions may have fallen short of achievement for the want of tryay. He regretted that he himself had not had the time to devote to fulfilling the duties of his position as he would like to. Nevertheless whatever little we had done he hoped our activities might in some way have been of value to Irish and Tipperary people in

London and perhaps also to Tipperary at home. He remarked that he was not underestimating the difficulties involved in retaining interest in our Association and propagating its beliefs and ambitions among the vast population from our County who had come to London. But, he said, on no account should our membership have dwindled as it had done both actively and passively. He appealed to the meeting that if those present felt that better and more successful officers were ~~free~~ available, it was their duty to elect them to the Committee. Mr. Bolger read letters from His Excellency the Irish Ambassador and Mr. Morrissey of Clonmel also a telegram from Mr. Morrissey. Finally he thanked the outgoing Committee members for their co-operation but regretted that pressure of business would prevent him from seeking ~~and~~ re-election to the committee. Nevertheless he promised his complete loyalty and support to the elected committee and said he would always try to better the cause of Tipperary and Ireland.

The Secretary made a general report of the year's activities functions etc and said he felt Mr. Bolger had dealt adequately with the sentiments he himself would like to express. He could not let the occasion pass however without paying his personal tribute to the ability, enthusiasm and unflagging efforts devoted by Mr. Bolger to the cause of the Association. He sincerely regretted Mr. Bolger's decision to retire from the Committee, but said that he, especially, realised the fact that Mr. Bolger could not spare the necessary time.

In the unavoidable absence through illness of Mr. Postello, the treasurer, the Sec. announced the details of the Annual Balance Sheet as compiled by the Treasurer & Sec. & scrutinised and signed by the Hon. Auditors Mr. Meagher & Mr. Corbett.

Mr. McCormack proposed and Mr. Blinck seconded the adoption of the Sec's & Treasurer's reports.

Mr. E. Meagher proposed a motion that the holding of an Annual Dinner & Dance and receptions for Tipperary teams or celebrities should be subject to sufficient funds being to the credit of the Association. Mr. McCormack said that while he agreed completely with the sentiment of the motion, he felt that this sentiment was actually implied in the responsibility delegated to the Committee in such matters, and that the final liability of such burden of such liability as might be incurred in holding such desirable functions would eventually fall on the trustees of whom he was one. When the matter was clarified in this fashion Mr. Meagher withdrew his proposal.

Mr. McCormack proposed that as immediate funds were necessary to the economy of the Association, members should be offered the opportunity of availing of Life Membership of the Association for the equivalent of ten years subscription i.e. £2-10-0. Mr. Bolger seconded and the motion was unanimously carried. It was mentioned that at the earliest opportunity notice of this offer should be given to all members.

After much irrelevant discussion which did not take the form of proposals the next business came on the agenda i.e. the election of a new committee.

Due to a number of committee members not being present and others not wishing to seek re-election the following were elected to the new committee without opposition.

Mr. J. D. Ryan, Mr. M. Deegan, Mr. McCormack.
Mr. Harr-England. Mr. R. Butler. Miss Gavin.
Mr. Costello Mr. Hincks Mr. Scott.

Subsequently the following were proposed and seconded
Mrs P. Kennedy, Miss A. Sheridan, Mr. P. Kennedy
Mr. P. Coughlan, Dr. M. D. Nunan, S. Gleeson &

E. O'Connor. As this number fell short of the maximum committee allowed (22 people) it was decided that the new committee would have the power to co-opt as many members as required up to the total committee strength of 22.

At a brief ~~long~~ meeting of the new committee the following appointments were made

President. Rev Canon Fitzgerald (still in office)
Hon. Vice Pres Mr. Simon Breen

Vice Pres. Mr. H. F. Bolger

Chairman Mr. R. Butler.

Sec. Miss Gavin Treasurer Mr. Costello.

The fifth Annual General meeting of the Tipperarymen's Association of London was held in the Irish Club, 82 Eaton Square S.W.1 on Sunday 24th November 1957. The Chairman, Mr. Richard Butler presided and there was a representative attendance.

The Chairman announced at the opening of the meeting, that as the honorary secretary had resigned, Mr McCormack had agreed to act as secretary to the meeting. The minutes of the previous Annual General meeting were read and having been approved by the meeting, on the proposition of Mr. Coughlan, seconded by Mr. Carew, were signed by the Chairman.

There being no secretary's report, the Chairman gave a resume of the year's activities and the general position of the Association. The committee had met every month, there was a good attendance at each meeting and a lot of good work was accomplished. The association held several dances during the year but they were not generally well supported by the members. Two raffle draws were held, one just paid for itself, the other showed a handsome profit. The annual dinner and the reception dinner for the visiting team were both successful and well supported. By far the outstanding accomplishment during the year was the rectifying of the financial position. The new committee would start with a clean sheet and

could devote itself from the beginning to the greater development of the Association.

The honorary-treasurer, Mr Costello in his report said that the association started the year with a debit balance of £108 and ended with a credit balance of £36. The annual dinner was solvent but we lost £12 on the hurlers' dinner. We made a profit of £17 on raffles, Ten members became life members and the President, Rev. Canon Fitzgerald made a donation of £30 to the association.

The honorary-treasurer's report was adopted on the proposal of Mr W. Dwyer seconded by ^{MR. J. D. Ryan} Mr M. Deegan and supported by Mr. M. Deegan.

The Auditors report was read by Dr. M. D. Nunn. It verified the credit balance in the treasurer's report and certified that he had inspected the bank account. He gave details of income and expenditure and explained the balance sheet. The excess of liabilities over assets on 26th October 1957 was £15-16.3. The report was adopted on the proposal of Mr. McCormack seconded by Mr. Dwyer.

The motion on notice that a sub-committee be appointed to revise the constitution in the coming year was proposed by Mr. McCormack and seconded by Dr. Nunn. Mr. McCormack said that it was not his intention that the old constitution should be scrapped, but that it should be revised and enlarged to

clarify certain aspects of it and to make for smoother running of the association. Dr. Moran said that any changes in the constitution would have to be passed by the Annual General Meeting or a Special General Meeting called for the purpose. The resolution which was spoken to by Mr. J. D. Ryan and Mr. W. F. Dwyer, was carried unanimously.

Under any other business, Rev. Fr. Bergin spoke of the great scope of activity the association had and reminded the members that as well as being Tipperary men, they were also Irishmen and should always be willing helpers in anything Irish or in anything that would help their less well off fellow countrymen.

Mr. McCormack said that a year ago, the very existence of the association was in grave danger due to their financial position. This position had now been righted as a result of the exertions of last year's committee but he feared that the falling off in numbers and the dearth of new members in the past two years, would make the position of the association just as weak if not remedied in the coming year. He appealed to the individual members to save the position by enlisting new members, especially the new arrivals in ~~from~~ London.

Mr. McCormack then spoke of the proposal of the Council of Irish County Associations, to acquire a hall by putting levies on the individual county associations. It

was his personal view that the scheme was too ambitious and from what he had heard of the other county associations their position as regards numbers and new members was worse than our own. He considered that the Council would do better work if they helped the County associations by helping them to increase their membership through regional organisations and administrative help.

The Chairman said that from his experience as a delegate on the Council, it did not appear that it had the unanimous support of all the County associations, in this plan to purchase the Hall in Southwark. It was up to the meeting to instruct their delegates ~~concerned~~ in the action they should take.

On the proposal of Mr. Dwyer, seconded by Mr. Carew, it was decided that Association should not, at present, support the proposed scheme of the Council of Irish County Associations to acquire a hall.

On the proposal of Mr. McCormack seconded by Mr. J. D. Ryan, Rev. Canon Fitzgerald was elected a life member of the Association.

All agreed that the A/D was a very good success and that the guests who attended were well pleased with the function.

Reference was made to the fact that committee members were not introduced to the invited guests. Owing to pressure for space at The Irish Club, this was

unavoidable, but would be noted for future functions.

It was also mentioned that there was a mis-understanding at the Irish Club re Mr. Dean, Toast Master & M.C. He had been booked by the Secretary to act as Toast Master and also as M.C. for the dance, but unconsciously he complained to the Chairman & Secretary that he was not allowed to fulfil his duty while the dance was on.

It was proposed by Miss S. Walsh & seconded by Mr. Deegan to hold the social at The Pembroke on St. Patrick's Day. he had contacted Mr. Neagle about the availability of The Blarney club for a Fri night dance; but no definite date had been received & Mr Ryan said that he would approach Mr. Neagle again & report to The Secretary Lipperary Team.
