J. J. Hinley, Esq.

15/12/38

Dear Mr Hinley,

I was glad to see the response to
your appeal on Sunday evening last.
Of all those present, I had probably
the longest record in Irish political
experience in London, as I was
Secretary to a Branch of the Irish
National League 56 years ago.

I have the names & subs. of fine
members to give you, & at the same
time I should like to meet some
of the members of your propaganda
Section in the hope that I may
be of some use to the new League,
the fourth with which I have had
some connection. I can see you at
any time & place you select.

Yours truly,
Francis Lumsden.
