Mr. J. J. Long,
[REDACTED]

My dear J. J.,

I am sending you under separate cover a dozen application forms for membership and a supply of the printed pamphlets which were distributed at the inaugural meeting.

You may be interested, too, in my reply to your King's College correspondent, but, I would ask you to return the enclosed duplicate copy which is required for our files.

With best wishes for 1939

Yours sincerely,
