Dear Tom

The Agricultural Meet-  
ing. In case I do not  
get to your meeting tomorrow,  
may I suggest that, in any  
event, it will be difficult  
to fill the hall unless you  
can get very well known  
speakers. It would make  
a big difference if a  
well known T.D. would  
come over — not Paddy  
Little, as he has already

made a<sup>2</sup> public appearance  
here. Again, can you  
arrange the distribution  
of handbills outside  
Churches on the Sunday  
Mornings - also adverts.  
in the Catholic press,  
which appears to reach  
a good many of our  
people in London.  
Stewards (plenty)  
will be needed,  
but doubtless  
I fear Mr. Frank

will be able<sup>3</sup> to give  
you good advice on  
that matter.

Could a small public  
meeting be held  
~~to~~ previously in order to  
enroll stewards & helpers?

This would not be necessary  
of course if there were  
sufficient branches,  
but at this stage  
it seems to me that  
this is the only way,

4  
to get sufficient action  
help to ensure that  
the meeting at the  
A.H. is well organized.

Best wishes

Yours sincerely

~~W. M. M. M. M.~~

P.S. This is a  
personal note, but  
you may use it if  
you think it of any  
help.
