

March 30th. 1939

R. Purcell, Esq.,  

Dear Mr. Purcell,

Thank you for your letter of the 27th. inst. I hope you will accept this expression of my sincere sympathy with you in your present illness, and I trust that you will be soon up and about again.

Though our meeting on Tuesday night last was to a large extent denied publicity in the national Press, it was a large and representative gathering and a good augury for full meetings in the future. If the people of London, who are in sympathy with us- and there are thousands- will lend us help in our efforts, Partition will soon be brought to an end.

Thanking you,

Yours sincerely,

Organising Secretary of the  
Anti-Partition of Ireland League.
