Dear Secretary

I have been expecting to hear from you for the past few weeks relative to the interview you suggested you might be able to arrange between myself and some members of your  
E.C.

I know your time is fully occupied, but you may remember that what we talked about was

The best publishers to approach concerning the publication of some articles I contemplated presenting to somebody, and you suggested that Key Books would be the most likely medium.

If you haven't time for this talk and will get one the necessary introductions to the responsible person there. I will be most grateful.

I expect to ~~begin~~ going to Ireland within the next month. So please <sup>could you hurry this?</sup> ~~write~~ <sup>write</sup> soon.  
All Good Wishes

Yours sincerely  
Aileen McVinn
