Dear Owen

I'm afraid this is a  
bit scrappy! I've sent it  
to Catholic Herald and Irish News.

Did you see the ex-Irish Press editor's  
(John Healy) letter about Carson's  
Irish Volunteers in last  
Sunday's 5/Times. There seem  
to be striking parallels between  
Germany's ideas in 1914 and today  
about Anglo-Irish relations.

I trust things are going very well,  
Jim Whelan
