Miss M. Flannery,  

Dear Miss Flannery,

In case you may not find it possible to attend the Council meeting next Friday evening, I am writing to let you know that I am anxious to start work in the Gorest Gate district as soon as possible. I suggest that you meet me some evening next week, say Thursday or Friday, if you find it convenient, and I shall have with me two people, Dr. O'Moore and Dr. O'Dwyer who have promised to assist in any way they can. If the four of us discuss the whole question first my work will be very much simplified.

If you will let me know whether it is possible for you to meet me on the 27th or 28th I shall get in touch with Drs. O'Moore and O'Dwyer.

Yours sincerely,

Organising Secretary of the  
Anti-Partition of Ireland League.
