Dear Comrade,

With reference to my telephone conversation with you this afternoon, the above League of Youth Branch would be glad if you could send a speaker on Friday next, 24th instant, to talk on Ireland. (Questions would probably be about the partition of Ireland, the different political organisations, the Craigavon Government, etc.)

We meet at the above address at 8.30 p.m. 77 'bus, 26, 28 and 34 trams stop outside or Clapham Junction Station is quite near. We usually have about 20 members present.

If you are not able to send a speaker would you please write to me at [Redacted]

Yours fraternally,

Peggy Shirley
Hon. Secretary.
