Mr. N. Murphy.

Dear Noel,

Thanks for the report of your last meeting and particulars of the expenses in connection with it. I have handed to the Hon. Treasurer, Mr. J. C. B. Willis, 9/6 in cash, being 7/6 for the cost of booking the Hall and 2/ for postal expenditure. No further receipt for the money is necessary. I enclose herewith the postage book. By the way, if you can get hold of a typewriter and make carbon copies of the notices to members to attend the meeting, it would be possible to send each notice out with a stamp for only a half-penny. This would cut down expenditure on postage.

I enclose herewith a copy of a specimen agenda for a meeting which you would do well to adopt for each meeting at your branch. You could let me know the date of your next meeting and whether you want any speakers down at it or not. If you want any other help do not hesitate to let me know. I hope your entertainment sub-Committee will be able to do something. Have they met yet?

Best wishes,

Yours sincerely,

Organising Secretary of the
Anti-Partition of Ireland League.
