Mr. D. Hennessey,

Dear Des,

A rather urgent matter has arisen. I want three or four distributors for the F&S in Abbey Wood on Sunday next, June 18th and I am relying upon you to supply them from the Hammersmith Branch. The leaflets are the same as those distributed in Mitcham, but we are only distributing a 1,000 at Abbey Wood. As I shall probably not be able to be down there myself, I want to hand over the leaflets on Saturday to whoever is willing to help distribute them. Could you fix up this matter and give me a ring as soon as possible?

Yours sincerely,

J.O. Barry-Walsh,
Organising Secretary,
