

26/6/89.

Dear Barry,

Can you get us a speaker  
for our G.M. on Mon. July 3rd.  
Not Brennan if poss. It has  
been suggested that the subject  
should be "How the Six Counties  
Originated" — but it need not  
be this.

We'll get some people over  
on Friday. I have the

address of a girl who should  
be useful in her district

Shelia Harding,

7, Belmont Road.

Ilford, Essex.

Perhaps some-one in South London  
would try Thomas P. McCrossan

"Alcañalera"

19, Poynder's Road

Clapham Park.

S.W. 4.

I think he still lives there. He  
should be a good man.

I think it's advisable

to go a bit carefully over some

of the R.F.C. people. Tom Sheehy  
or myself could approach them better.  
I heard that Gallagher had had  
some literature sent to him <sup>of</sup> some  
bank or other. And others start talking!

Would you please send  
Austin a receipt for members  
who have sent their subs. direct  
to you.

Perhaps you'd be good  
enough to phone me about the  
speaker [Knijston 1050 - Ext 53. (9-5)]  
since we want to put it on the  
agenda cards.

All the best  
D.S. Jennings.
