Mr. T. J. M. Sheehy,  
[REDACTED]

Dear Tom,

I enclose the name of a man who has been in touch with us for some time and who recently joined as a member. Would you send him notice about the meeting on the 12th. as I want him to come along so that he can see me about starting a branch in Hackney.

How are things fixed for the 12th.? I shall be along with one or two people from the Council who could give short addresses and help me out. I suppose I'd better bring along couple of dozen membership forms and some booklets also. Drop me a line or give me a ring if you want some help about the meeting. I suppose you have had a Committee meeting already, if so, were there any suggestions made attit which I could help you to carry out?

All the best,

Yours sincerely,

Organising Secretary of the  
Anti-Partition of Ireland League.

P.S.  
The man's name and address is  
Mr. D. McSwiney,
