

April 27th. 1939

Mr. T. Sheehy,

Dear Tom,

The enclosed is for the attention of your Committee and members. It would be well to read out the second part at your next meeting.

I had a letter this morning from D. McSwiney who is waiting to hear from you about the names and addresses in the Hackney district. If it is of any use the three of us could get together some evening next week, preferably not on Wednesday next, as you will be busy with your meeting. By the way, I am still waiting for the report of your last meeting which you might push along to me as soon as you have time.

Yours sincerely,

Organising Secretary of the
Anti-Partition of Ireland League
