Dr. O'Donnell.

Dear Dr. O'Donnell,

Your name has been recommended to me as one who is interested in the Anti-Partition Movement and willing to help in the formation of a branch in your district. I send you herewith a membership form and a short statement on the aims and objects of the League from which you will see that the movement is pledged to help in ending Partition by constitutional, democratic and legal means. If you are interested in the League perhaps you might care to have a chat with me about starting a branch in the Morden district. I should mention that I am already in touch with some people in Mitcham and Wimbledon, and if it is not found possible to start a separate branch in Morden, you may be able to support us in our efforts to get the League going either in Mitcham or Wimbledon.

I shall be only too pleased to travel out to see you, if you are interested, some evening next week at your convenience. Trusting that you will give this matter favourable consideration.

Yours sincerely,

Organising Secretary of the  
Anti-Partition of Ireland League
