Dr. O'Donnell,

Dear Dr. O'Donnell,

Some time ago I wrote you in connection with the Anti-Partition of Ireland League in which I explained the aims and objects of the Movement and expressed the hope that we should be starting a branch in your district.

We are now planning to organise one Branch for Wimbledon and the surrounding areas and we shall probably hold a meeting in the near future to form the nucleus of a branch. I feel that I should acquaint you of these facts in case you may be able to give us any help by letting us know the names of sympathisers in your district.

If you should like to have a chat with me about the League and the prospects of starting a branch in your area I am free at any time of the day to see you.

Yours sincerely,

Organising Secretary ,
Anti-Partition of Ireland League
